## CAMDEN DISC GOLF PARK | GUM BRANCH PARK COURSE SCORE CARD

### WELCOME TO CAMDEN DISC GOLF PARK - GUM BRANCH PARK COURSE

Disc Golf is played like traditional golf, but with Disc Golf Discs instead of balls & clubs. One stroke is counted each time the disc is thrown and when a penalty is incurred. The goal is to play each hole and the course in the fewest strokes possible. This 18 hole course has two sets of tees, Red and Blue for varying levels of skill. Yellow Tee Sign posts are numbered and colored, and have distance, par and hole information. Baskets are yellow and have a sign pointing your to the next set of tee pads. There are also yellow sign posts with other course direction information.

**SAFETY FIRST:** Never throw when other players or park user are in range, always give other park users the right of way. **TEE THROW:** Each hole begins with a tee throw (drive) from the tee pad. **LIE:** Where your tee throw landed, place a marker and make your next throw directly behind this lie. **THROWING ORDER:** The player with the least strokes on the previous hole throws first off of the tee. After all players have thrown from the tee, the player who is furthest from the basket always throws next, until the hole is complete. **MANDATORY:** A mandatory throw is indicated by an arrow that your disc must pass around in its flight. Missing the Mandatory is a one stroke penalty. Follow signs on the course. **OUT OF BOUNDS:** There are water hazards on the course. If your disc is surrounded by water, you must take a one stroke penalty and play from where it last was in bounds. There are indications on each tee sign when this is in play on a hole. **COURTESY:** Stand quietly behind the player who is throwing for safety, allow faster groups to play through, pick up trash and put in receptacles. **DO NOT** alter the course, trees, bushes etc.. are a part of the course.
