

Explore the waterways of Kingsland and Coastal Georgia by kayak, paddleboard, boat, or guided tour. From quiet marsh creeks to winding rivers and open water adventures, there are opportunities for every experience level to enjoy life on the water.

New to paddling or boating? We recommend booking a guided tour or lesson with one of our experienced outfitters and charter captains to help you safely navigate local waterways.

Before you go:

- Check weather and tide conditions before heading out.
- Plan your route and be aware of currents, shallow areas, and wildlife.
- Let someone know your plans and expected return time.
- Wear a life jacket and carry plenty of water.
- Bring a GPS device or navigation app when exploring unfamiliar areas.

Most charter captains provide required licenses and safety equipment, but it's always best to ask before your trip.

Recommended items include:

- Sunglasses with a retainer strap
- Hat or visor
- Sunscreen
- Insect repellent
- Water and snacks
- Quick-drying clothing
- Water-friendly shoes
- Waterproof bag or camera
- Light rain jacket or windbreaker
